

J. Michael McQuade, Senior Vice President, Science and Technology

Dr. J. Michael McQuade was named senior vice president, science and technology in September 2006. His responsibilities include overseeing UTC Power and UTC's Research Center and providing strategic oversight and guidance for research and development activities throughout the corporation.

McQuade has held senior R&D and general management positions with technology development oversight at 3M and Eastman Kodak. Beginning in 2002, he was vice president of 3M's Medical Division.. Previously, he was president of Eastman Kodak's Health Imaging business, including responsibility for its research laboratories. Prior to 1998, McQuade held several positions at Imation Corp. both before and after its spinoff from 3M in 1996.

McQuade holds a doctorate, master of science and bachelor of science degrees in physics from Carnegie Mellon University.
