

Enduring Scholarship Program
1,790 Scholarships Granted since 1953

Almost halfway through its sixth decade of existence, the UTC Dependent Scholarship Program for dependents of employees has granted 1,790 scholarships since 1953. The scholarships provide up to \$3,000 per year toward tuition and academic fees for a four-year, full-time bachelor's degree program at an accredited college or university. Fifty scholarships are available annually and can be renewed for each of the four years of the dependent student's degree program. In 2007, UTC contributed \$539,000 toward scholarships for dependents.
